Important Safety Instructions:

Do not install this product until the instructions and warnings have been read and understood thoroughly. Please keep these instructions for future reference.

If you do not understand the instructions provided, or are not sure how to install this product, please contact a professional for advice and /or to install this mount. Failure to mount this bracket correctly may lead to serious injury and / or death. Please pay careful attention to where this mount is located. Some walls are not suitable for installation. If you install this mount on drywall it must be anchored into a wood stud, concrete block or brick behind the drywall. It is not suitable for securing to steel studs or weak concrete / brick. Installing on drywall alone will not support the weight of the screen. Ensure sufficient space and safety distance is allowed when installing this product. If installing in a public area, or over the likely path of pedestrians, this product should be mounted as far as possible from the public / pedestrians. When drilling holes it is particularly important to take care of electrical cables, water or gas pipes in the wall. It is important that all mounting screws supplied are used. If the mounting screws included are not sufficient for the wall you are mounting this product on, please consult your local hardware store.

The screen attached must weigh no more than the recommended weight of 40 Kg (88lbs). Ensure that when installing your screen on this mount, that the correct viewing distance and angles are observed, as well as avoiding any direct or reflected glare including glare from electric lighting etc. If there is any doubt, consult the instruction manual of your screen.

Proper attention should be paid when laying the connecting cables so that they do not cause a hazard. It is recommended that periodic inspections are made of the mount to ensure that there is no change to the fixings or mount. When cleaning the mount, use dry cloth only.

B-Tech International Limited, its distributors and dealers are not liable or responsible for damage or injury caused by improper installation, improper use or failure to observe these safety instructions. In such cases any guarantee will expire.

CAUTION: This wall mount is intended for use only with the maximum weights indicated. Use with heavier than the maximum weights indicated may result in instability causing possible injury
